## Book Fair

Aye mates, find your pot of treasure at the book fair. Stop by when you visit your teachers for SEP.

Join your Emerson friends at Cafe Zupa's in Sugarhouse on October 11th from 5-9pm. Enjoy good food and donate to Emerson in the same bite.

## Cafe Zupa's

**Dia de los Muertes** is coming in early November. Planning and preparation meetings are planned for Oct 6th and 14th. Please join in our community celebration.

## Broadcast & Buddies!

Sixth graders from Ms. Anderson's class have paired with Mrs. Leys' first graders as their mentors in our service program we call "Broadcast and Buddies." Every Friday morning, sixth graders will be helping their buddies with math, reading, and by just having fun together! Here are a few shots of us with our buddies...

## Classroom Profile: Kindergarten International Pathways

Our school year started full of questions. Can we learn about cooking, sewing, reading, writing, mathematics, and astronomy? Our 25 friends started school ready for all! Each student makes our class community unique and awesome! As an educator, I am so excited for their love to learn! In this classroom we will work on learning how to become good citizens, scientists, readers, mathematicians, gardeners, yogis, and good friends.

In addition, we are so lucky to have our **4th grade buddy class**. They are teaching my kindergartners recess games like Infection and the Fastest Tagger in the West. We are also learning about science with a variety of class projects for example: how the sun makes our day, water works, animal coverings, the science of embryology (hatching chickens), and much more. Can you believe that in our classroom we do all those things in English and Spanish? Kindergarten IP is a proud member of the eagle family!

## School Community Council (SCC)

The School Community Council (SCC) is responsible for evaluating the schools greatest academic needs and creating a School Improvement Plan to address these needs. The SCC manages the LAND Trust monies awarded to their school. Parents, faculty, staff, and community members are invited to attend and join the council, and are encouraged to participate in all meetings throughout the school year.

Emerson's SCC is looking for one additional member to join the committee. We are looking for committed parents to come join this great committee! The SCC meets the 4th Wednesday each month at 5:30pm in the library. At the September 28th meeting, we will be planning an open house to be held at the Rico Warehouse. There we will discuss ways to improve the school, and provide updates on what is currently happening at Emerson. Anyone is welcome and encouraged to attend.

## Clipping **Box Tops**

is an easy way for your family to help Emerson earn easy money. Each Box Top is worth 10¢, and they quickly add up to real cash for our school.

**Last year, Emerson earned \$1,350.20 from Box Top Collection.** Emerson's 2016-2017 earnings goal is \$1,000.00. All money earned will be used to help provide teacher grants and classroom supplies. To help us reach our goal, we challenge you to identify Box Tops on products you may have in your cupboards/pantry, clip them and return them to the school. We also encourage you to invite your neighbors, extended family and friends to identify and clip Box Tops to share.

To find a full list of participating products, simply go to [www.BTFE.com](http://www.BTFE.com). We also welcome you to visit the Emerson Community Board (located near the office) where you will find additional collection sheets and a Box Top Collection Bin. If you have any questions, please don't hesitate to contact us at [emerson.pta01@gmail.com](mailto:emerson.pta01@gmail.com). We are here to make Emerson's Box Tops for Education™ program a success! Thanks for your support!
